

# ***Sealabration 2004 at Año Nuevo State Reserve***

***Saturday, January 24, 2004***

**Tickets available starting November 15, 2003**

**For information or reservations call:**

**Toll free 1 - 866 - 792 - SEAL (7325)**

1. How much does it cost to attend Sealabration?  
\$75.00 per person, which includes lunch
2. Can I bring small children with me and is there a fee for them to attend?  
Children may attend; the cost will remain \$75.00 per attendee, for children age 3 and above. All children must be able to walk with the group and cannot be left behind the rest of the group; small children usually need to be carried when in the rookery.
3. May I remain in the rookery after my group completes its visit with the guide/docent? Visitors may remain in specified areas with a ranger or docent but may not be left in the rookery on their own (for safety reasons).
4. May I take photographs?  
Photography is encouraged; however, visitors must move out of an area when seal activity requires people to vacate a viewing area.

5. I would like a vegetarian meal. Is that possible?

A vegetarian entree will be provided. Please indicate your need at the time you make your reservation.

6. Someone in my group has a physical disability. Can he or she be accommodated?

At the time of reservation, please indicate the need. A docent will be assigned to take the person(s) into the seal rookery.

7. May I cancel my reservation?

Because this is a benefit for the new Marine Education Center and will benefit the San Mateo Coast Natural History Association and State Parks, the reservation is considered a donation. Reservations are non-refundable.

8. What will happen if it is raining? Will the event still occur?

The event will occur, rain or shine. Please be prepared for any type of weather and dress in layers.
